Shamley Green Environment Group Litter Pick Saturday 10th May 10.30am

Calling all litter pickers! Join the Shamley Green Environment Group on Saturday 10th May for a village-wide litter pick. Meet at 10.30am outside the Arbuthnot Hall, bring your children and dogs too if you like! We have some suggested areas for picking, but do come with your suggestions as well. We'll have hi-viz to fit everyone, please wear walking shoes and to minimise plastic please bring your own trug or bucket for rubbish collecting, but we'll also have bin-bags, rings to hold them open and litter pickers.

Here we are enjoying tea and homemade cake after last year's Litter Pick – same again this year, at the Malt House, and we would be really grateful for cake donations to fuel this year's efforts.

To sign up to pick litter or to offer cakes, please contact kate@shamleygreenenvironment.co.uk
